

SKI LEASES

END-OF-LEASE CLEANING CHECKLIST

A post-lease professional cleaning will be scheduled and the cost deducted from your Security Deposit. You can help minimize the cost by performing the tasks below.

GENERAL:

- Move all furniture back to the original location.
- Thoroughly vacuum around, under and behind all furniture and on all upholstery.
- Mop hard-surface floors.
- Dust all furniture.
- Empty all waste baskets and take trash and recycling to outside receptacle.
- Return any furnishing(s) to original place(s) if it has been moved.
- Turn the heat down to 55 degrees.
- Turn out the lights.
- Lock doors and windows and close window coverings.

KITCHEN:

- Clean oven and stove, including hood.
- Clean refrigerator, inside and out. However, you may leave perishables in the refrigerator.
- Wipe counters and hard surfaces.
- Load and start the dishwasher.
- Be sure all dishes, pots, pans, silverware and other contents of drawers and cupboards are clean.

LIVING AREA:

- Be sure remote controls are with the related devices.
- **Do not empty the fireplace!** Housekeepers will take care of this.
- Do not burn on the day of your departure.

BEDROOMS:

- Check under beds for any misplaced items or trash.
- Remove sheets and pillowcases and put in laundry area.
- Please DO NOT put comforters, shams, mattress pads or blankets in laundry.

BATHROOMS:

- Take used towels to the laundry area.
- Clean out cupboards, drawers, and medicine cabinets.
- Toilets, sinks, tubs and showers will be cleaned and disinfected by professional cleaning staff.

LAUNDRY:

- Start a load of linens.

Thank you in advance for taking such good care of your lease property!
